

What Gets Us Out of Alignment

Maurizio Mingardi

The Bible Warns Us

The Flesh

How to get out of alignment

- **Phil.3:2-11** – No confidence in the flesh
 - How to have God's power
 - Being carnally (naturally) minded is death – **Rom.8:5-11**
 - Delivered from wrath
 - The Law of "SOWING AND REAPING" is in effect – **Gal.6:7-8**
 - But it works horizontally, not vertically
 - You can create chaos in your life by acting foolishly
 - Jesus came to help us with this
- **Gal.3:1-14** – Foolishness of starting in the spirit and ending in the flesh
 - Trying to get accepted by God, by good works – It does not work
 - If we don't do good works we should ask ourselves, why?
 - The goodness of God draws you to repentance

Second Foundation: "Faith" towards God - Heb.6:1

Trusting God

The Overcoming Secret

- **Jn.14:15**, If you love me, you will obey me
 - It does not say you have to obey me to prove that you love me
 - When a person does not obey God, it does show that they don't love God

Questions to Consider

1. What is the biblical meaning of the word "flesh"?
2. How does the flesh contribute to get us out of alignment with our Corner Stone?
3. What is the result of letting your flesh control you?
4. How can Philp.3:2-11 help you to become a stronger believer?
5. Why do we tend to fall back into fleshy behavior, and what can we do to avoid this problem?
